Subject: Correction - DELAY: Autism Data Science Initiative (ADSI): Potential Reviewer - Conflict of Interest and Confidentiality (due by 7/9/25)

[EXTERNAL EMAIL]

Hello,

Due to the overwhelming response to the ADSI funding opportunity and concurrent need to re-verify the expertise of all potential reviewers due to the webform being posted publicly, the ADSI review process is running one week behind schedule. We anticipate providing access to assigned applications by July 16 with reviewer feedback due by **July 25** at the earliest.

We thank you for your patience as we work through these unforeseen complications.

Best,

ADSI Review team
